Client Information Company Profile Requirements Veterinarian My Clients

First Name:	Marites	Date of Birth:		Contact Number:	092281141395
Middle Name:		Region:		Email:	mcgealone@yahoo.com
Last Name:	Gealone	Province:		Date Registered:	Monday, March 12, 2018
Extension Name:		Municipality:		Classification:	Commercial
Position/Occupation:	Clerk	Barangay:			
Sex:		Street:			

5. Click the Company Profile button and enter all the information needed.

The screenshot shows the NVQSD user interface. At the top, there is a navigation bar with links: NVQSD, Home, Application, and My Profile. On the right, it says 'Hello, mcgealone@yahoo.com!' and 'Log off'. Below the navigation bar is a user profile section for 'Marites Gealone' with a circular profile picture. Underneath the profile picture is a row of buttons: 'Client Information', 'Company Profile' (highlighted with a red circle), 'Requirements', 'Veterinarian', and 'My Clients'. Below the buttons is a section titled 'Business Establishments' with a table. The table has columns: 'Owner/Manager', 'Business Type', 'Business Name', 'TIN', 'Address', and 'Phone No.'. A red arrow points to the 'Add' button (a document with a plus icon) in the top-left corner of the table. Below the table, it says 'No data to display'.

6. Click the add button  on the mid-left corner and the add form profile will appear.
7. Fill all mandatory information (marked with *). Those fields with  drop down button have a stored list, you cannot type anything in it.

The screenshot shows the 'Business Establishments' add form profile. The form has a header 'Business Establishments' and a sub-header 'Drag a column header here to group by that column'. Below the header is a table with columns: 'Owner/Manager', 'Business Type', 'Business Name', 'TIN', 'Address', and 'Phone No.'. The 'Business Type' dropdown menu is open, showing options: 'Corporation', 'Partnership', 'Single Proprietorship', 'Association/ Group', 'Private Universities / Colleges', 'SmallHolders', and 'Government Institution'. The form contains several mandatory fields marked with an asterisk (*): 'Business Type', 'Business Name', 'Region', 'Municipality', 'Longitude', 'Full Address', 'Existing Farm ID', 'Owner's Name', 'TIN', 'Province', 'Barangay', 'Latitude', and 'Contact No.'. Each field has a text input box and a label. The 'Owner's Name' field has a hint 'Enter full name of the owner.' The 'TIN' field has a hint 'Enter tax identification number'. The 'Province' field has a hint 'Select province.' The 'Barangay' field has a hint 'Select barangay.' The 'Longitude' field has a hint 'Enter Longitude'. The 'Full Address' field has a hint 'Complete business address.' The 'Existing Farm ID' field has a hint 'Please enter your existing farm id. Just leave it blank if you don't have an ID yet.' At the bottom right, there are two buttons: a green checkmark button and a red X button.

Supporting Documents

Drag a column header here to group by that column

Attachment	Document	Document No.	Issued By	PRC License No.	Date Issued	Validity

 1. You can upload JPG, GIF or PNG file. Maximum file size is 4MB.

Document:* 2. Select a document. Select the name of the document to be uploaded.

Document No.:* 3. Enter document number of the selected document.

Date Issued:* 4. enter date of issuance.

Valid Until:* 5. Expiration date of the document.

Issued By: 6. Your Company/Agency/Veterinarian etc.

PRC License no: 7. If issued by a veterinarian, enter his PRC license number here.

1. Image – Original Copy of documents- scanned using color scanner or mobile phone camera. Image to be uploaded should be clear and colored using JPG, GIF or PNG format with maximum file size of 4MB. Rotate the image to appear in its correct portrait orientation.
2. Document – type of documents to be uploaded
 - a. Veterinary Health Certificate (VHC)
 - b. Certificate of Meat Inspection
 - c. Meat Inspection Certificate
 - d. Registration of Transport Carrier
 - e. Livestock Handler's License
 - f. License to Operate (LTO) meat processing plant issued by FDA
 - g. Laboratory Test Results and Laboratory Compliance Certificate
 - h. Individual Certificate of Product Registration (CPR) issued by FDA
3. Document No. – identification number of the license or certificate scanned
4. Date Issued – date of the issuance
5. Valid Until – the expiry date of the license or certificate
6. Issued by – name of the company or individual who issued the certificate
7. PRC License No. – if the certificate is issued by a veterinarian the PRC license is required like VHC

9. FARM VETERINARIAN REGISTRATION

- a. To add the farm veterinarian/s of the company, click the veterinarian tab

add button

- b. Then click the add button on the mid left corner and the add form profile will appear.
- c. Fill all mandatory information (marked with *). Those fields with drop down button have a stored list and cannot type anything on it.
- d. To add another veterinarian just click the add button and repeat the process

1. First Name – the given name of the veterinarian
2. Middle Name – middle name
3. Last Name – the surname
4. Extension Name – example JR, SR, II III
5. PRC ID – the number of the PRC license
6. Valid Until – validity of the PRC ID
7. PTR No. – the professional tax receipt number
8. Issued on – when the license issued
9. Issued at – where it was issued

10. BAI Accredited Veterinarian – click yes if the veterinarian is accredited by BAI or no if not

11. Image –the photo of the veterinarian

10. After completing your COMPANY PROFILE, the BAI administrator will send an excel file of Client Profile to your email address for completion.

Steps in Submission of Client Profile to BAI's Domain

a. Update the Excel File sent by BAI which includes specific details such as:

For Live Animals/Animals Products/By-products: Farm Name, Farm Owners Name, Complete Address and Contact Details;

For Meat Products: Name of Store, Main Company Name/Corporate Identity, Type of Establishment, Salesman, Complete Address and Contact Details;

b. Send the completed Client Profile via email.

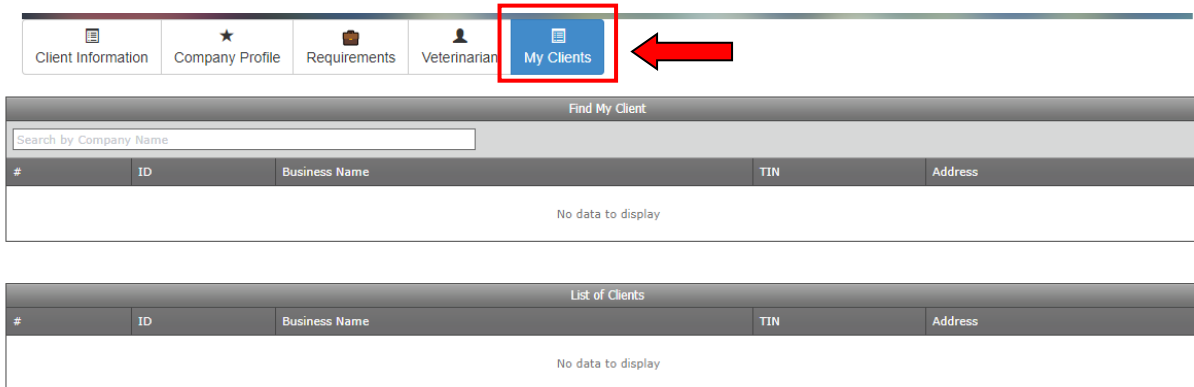

11. This Client Profile will be uploaded in BAI's Domain and will be linked to your NVQS Account Profile. Clients that are NOT uploaded in the BAI's domain cannot be included in the proposed movement.

12. Clients Profile can be updated from time to time and must include both SOURCE ESTABLISHMENT and RECIPIENT Facility (Store/Cold Storage/Farm/Slaughterhouse)

13. HOW TO ADD CLIENT TO THE COMPANY PROFILE

All the company clients must also be registered in the system (follow the above procedure to add your company client)

a. Click My Clients tab.

The screenshot shows the BAI system's navigation bar at the top with five tabs: Client Information, Company Profile, Requirements, Veterinarian, and My Clients. The 'My Clients' tab is highlighted with a red box and a red arrow pointing to it. Below the navigation bar, there are two main sections. The first section is titled 'Find My Client' and contains a search box labeled 'Search by Company Name'. Below the search box is a table with columns: #, ID, Business Name, TIN, and Address. The table is currently empty, displaying 'No data to display'. The second section is titled 'List of Clients' and also contains a table with the same columns: #, ID, Business Name, TIN, and Address. This table is also empty, displaying 'No data to display'.

b. To search for the client (company) type the company name at the text box on the left side of the screen.

	Application No	Date Issued	Valid Until	Company	Address	Destination	Category	Status	Evaluated by

No data to display

- d. Fill all mandatory information (marked with *). Those fields with  drop down button have a stored list and you cannot type anything in it.

The screenshot shows a web form for issuing local shipping permits. At the top is a search bar and a header bar with columns: Application No, Date Issued, Valid Until, Company, Address, Destination, Category, Status, and Evaluated by. Below this are several sections:

- Shipment Mode** (1): Radio buttons for 'Single Origin And Single Destination' (selected) and 'Single Origin And Multiple Destination'.
- Transaction** (2): Radio buttons for 'Inter-Island' (selected) and 'Inter-Province'.
- Proposed Date** (19, 20): Fields for 'Proposed Shipping Date' and 'Proposed Arrival Date', each with a date picker.
- Shipment Details** (3-11): Fields for Shipper (dropdown), Shipper Address (text), Category (dropdown), Source (dropdown), Purpose (dropdown), License Number (text), Accreditation Number (text), and Country of Origin (dropdown).
- Origin** (12-18): Fields for Company/Establishment (dropdown), Full Address (text), Province (dropdown), City/Municipality (dropdown), Barangay (dropdown), Sender (text), and Contact Number (text).
- Destination** (21-27): Fields for Company/Establishment (dropdown), Full Address (text), Province (dropdown), City/Municipality (dropdown), Barangay (dropdown), Receiver (text), and Contact Number (text).
- Mode of Transportation** (28-36): Radio buttons for Land, Air, and Water. Land and Air have additional fields for vehicle/flight details.

 Numbered callouts 1 through 36 are placed around the form to highlight specific fields and sections.

- Shipping Mode – tick the circle of what shipping mode to be applied
- Transaction – tick the transaction if inter-island or inter-province

Shipment Details

- Shipper – click the drop down arrow and click the name of company (only the registered company will be displayed at the drop down list)
- Shipper Address – after choosing the company name, the registered address will be automatically displayed on this field
- Category – click the drop down arrow and choose the category of the item to be shipped i.e. Live, meat, meat products, etc.
- Source – this field is for meat, click the drop down arrow and choose the source of meat if it's from cold storage, slaughterhouse, meat cutting or dressing plant
- Product Source – choose the source of product imported or local
- Purpose – click the drop down arrow and choose the purpose of the shipment if it is for commercial, breeding, research, etc.
- License Number – provide the license number of the meat or livestock handler
- Accreditation Number – provide the number of transport carrier for livestock and meat van for meat

11. County of Origin (imported) – country source of meat if imported

Origin

12. Company/ Establishment – a drop down list for company or establishment of the shipment origin.
13. Full Address - filled-up the address automatically after choosing the registered company or establishment
14. Province – click the drop down button to choose the province of origin
15. City/Municipality- choose the filtered list of municipality based from the selected province
16. Barangay – drop down list from the selected municipality
17. Sender – type the name of person responsible in the shipment
18. Contact Number - type the contact details of the shipment sender

Proposed Date

19. Shipping Date – pick the date of the proposed shipping schedule
20. Arrival Date – pick the date of the possible date of arrival to the destination

Destination

21. Company/ Establishment- a drop down list of the company or establishment where the items are going to be shipped
22. Full Address – automatically filled up based from the company selected
23. Province - click the drop down button to choose the province of origin
24. City/Municipality- choose the filtered list of municipality based from the selected province
25. Barangay – drop down list from the selected municipality
26. Receiver – type the name of person who will receive the item ship
27. Contact Number – the contact number of receiver

Mode of Transportation – you can click the three check box if the shipment will be transported using the multiple mode of transportation

28. Land – click the check box if the item be shipped by land
29. Type of Vehicle – select the type of vehicle to be used by clicking the drop down arrow
30. Vehicle Plate Number – indicate the plate number to be used
31. Air - click the check box if the item be shipped by air
32. Type of Vehicle – choose if the air travel will use a cargo or a commercial plane
33. Flight number and ticketing office – indicate the flight number and the airline company
34. Water - click the check box if the item is going to be shipped by water
35. Type of Vessel – choose the type of vessel to be used
36. Vessel Number – type the vessel number
